

Seneca County Retired Teachers Association

January 12, 2017

Dear Guidance Counselor:

Again this year the Seneca County Retired Teachers Association will award a monetary grant to a high school senior who resides in Seneca County and will graduate from an accredited high school with territory in Seneca County who is planning to pursue a career in the field of education. Please let any interested and eligible students from your school know about this award and encourage them to apply. Please notice that applicants must live in Seneca County.

All funding for the 2017 grant is obtained through voluntary SCRTA member contributions and the amount will be \$500.00. We are sure that this will help a deserving student to buy books or pay some other college expenses. The recipient will receive the grant money at the conclusion of the first college grading period in which a 2.5 grade point average or better is achieved. The award will be made during the second grading term of the college or university.

The application must be submitted no later than April 11, 2017. The application packet is to include the enclosed four-page application form, a high school transcript, two letters of recommendation, and a brief essay. The application form and the other materials submitted with it will not be returned to the applicants.

The winner will be notified around May 15, 2017. The winner and a parent or guardian will be invited to the June SCRTA luncheon as our guests, and the winner will be asked to give a short acceptance talk at that time.

Please reproduce the enclosed (or electronically sent) application form as needed. Application forms or email attachments should be postmarked or emailed date no later than April 11, 2017. I would prefer to have the application forms sent to me by email attachments. When applications are sent via email, please send each application separately. Please send all forms and information to:
